CONFERENCE ON R. R. VALUATION WAS ORGANIZED

Three Hundred Delegates Present at Chicago Meeting

(By The Associated Press) CHICAGO, May 25.—Railroad labor leaders, representatives of the Progressive "bloc" in congress, members of various agricultural organizations and proponents of government ownership of the railroads met here today, organized the "conference on railroad valuation" for the announced purpose of promoting and protecting "public interest in the valuation of railroad property."

Approximately 300 invited delegates from all sections of the country met in executive session this afternoon, following a two hour public gathering this morning named Senator Robert M. La Follette, of Wisconsin, (Republican), permanent chairman of the conference and representative W. T. Logan, Democrat, South Carolina, secretary.

Representative George Huddleston, Democrat Alabama, was elected chairman of a committee on permanent organization and Warren S. Stone, president of the Brotherhood of Locomotive Engineers of Cleveland was named to head the committee on finance.

The meeting today was the outgrowth, Senator La Follette said at the public session of a conference, "of the progressive leaders in the halls of congress."

**Purpose of Conference**

The purpose of the conference he said was:

(1)—To promote and protect public interest in the valuation of railroad property now being made by the Interstate Commerce Commission.

(2)—To take steps thru the Interstate Commerce Commission and the courts and elsewhere, to require the commission to act in strict accordance with the provisions of the Interstate Commerce act in determining the valuations of the railroads.

(3)—To organize, maintain and support such proceedings as may be necessary to accomplish the foregoing aims.

Among the delegates are three United States senators, three Governors, eleven congressmen and representatives of railroads or states, personal representatives of the government of four additional states, leaders of virtually all railroad labor organizations affiliated with the "big four" brotherhoods and the American Federation of Labor, sponsors of the Plumb plan league and spokesmen of various associations interested in transportation.

**Favors Government Ownership**

Mayor Hylan of New York and Governor Sweet, of Colorado were speakers at the public session today. Mayor Hylan said government ownership, operation and unification of the railroads was the only solution "for the crisis before the country," and that he was heartily in sympathy with the aims of the conference.

Governor Sweet attacked the transportation act of 1920, fixing the rate of return on railroad investments as unjust, branding as opposed to public interest the principle enunciated therein that value of the property used in transportation should form the basis or rates. He did not suggest, however, he was quite sure.

Following the public meeting Senator La Follette received by messenger from J. P. Haynes, traffic director of the Chicago association of Commerce a statement "in behalf of leading business men of Chicago and large shippers," branding the conference as a menace to all the people, and asking if the gathering was not "staged to prejudice the people against the railroads, and thus promote the political advance of the so-called 'progressive bloc'."

COAL COMPANY SUES RAILROAD

(By The Associated Press) CHICAGO, May 25.—A suit for \$400,000 damages was begun in the superior court today by the Miami Coal company against the Chicago, Milwaukee & St. Paul railroad.

According to the attorney who filed the praecipe the suit is, breach of contract. The railroad he said contracted to purchase coal valued at \$40,000 and then refused to carry out the terms of the contract.

**FOUR BOYS RESCUED FROM LAKE MICHIGAN**

Milwaukee, Wis., May 25.—Fish ing for their lives after their row boat capsized in Lake Michigan almost a mile from shore near South Shore Park, four 17 year old youths were rescued this afternoon by William Lawrie, superintendent of the bath house in the park. All four were chilled by the sudden plunge into the cold water but are in no serious condition.

PROLONGED FIGHT IN HOUSE IS SEEN ON ROAD BOND BILL

Speaker Shanahan Says it Will Not Be Rushed Thru House

(By The Associated Press) SPRINGFIELD, Ill., May 25.—Arrival in the house of the road bond bill fresh from its 32-11 victory yesterday marked the beginning of a long fight in which its proponents and opponents probably will engage in combat more strenuous than was the case in the upper branch.

Following the signing of the measure by Richard J. Barr, president of the senate, it was rushed to the house but it did not appear on the house floor today. When it is brought in next Tuesday, its friends will move to advance it to second reading without reference to committee, Speaker Shanahan said today.

The speaker told newspapermen he did not approve of the bill being proposed to the house without a hearing being given it.

"They're not going to hold that bill over there three months and then expect to jam it thru the house in two weeks," he declared. "There are many associations and organizations of taxpayers who want to be heard on it and they must be given the opportunity. This bill will have to go to the roads and bridges committee as Chairman McCarthy is planning for a hearing or two if necessary."

It is expected there will be preliminary action on the bill Tuesday in the shape of a vote on sending the bill to second reading. Friends of the measure probably will demand a vote when their request to advance it is denied by Mr. Shanahan.

The bill was sent out of the senate despite notice by Senator Essington, Republican, Stretator, that he would move on Tuesday to reconsider the vote.

AMERICAN CAPTIVE OF CHINESE BANDITS HAS MADE HIS WILL

Leon Friedman Sent the Document Out by Messenger

(By The Associated Press) TAOCHUANG, May 25.—Leon Friedman, one of the Americans held by the Shantung bandits in the hills beyond here today sent out his will, drawn up in legal form and witnessed by two of his fellow captives.

Friedman's will which was brought out by J. B. Powell, American publisher of Shanghai, released on parole as a messenger to carry what the bandits say are, their "final terms," by which he leaves everything he owns to his brother, Max Friedman, of Shanghai. The testament was witnessed by Powell and G. D. Musso, Italian attorney, who also is one of the prisoners.

Powell as the bearer of the brigands' "last word" is to participate here in an all-night conference between foreign consular officers and Chinese government officials. Powell has given the bandits his word of honor that he will return to their camp within 24 hours.

Thirteen brigades of Chinese troops have taken the field against the outlaws and are slowly tightening their cordon about the bandits' hill retreat.

REPORT DISAPPOINTS PRESIDENT HARDING

(By The Associated Press) WASHINGTON, May 25.—President Harding was represented at the white house today as "disappointed" in the report of the committee of the Iron and Steel Institute recommending against abolishing the 12 hour day in the steel industry.

The institute's committee has for more than a year been making a study of the industry to determine the possibility of changing the working day in the steel mills of the country from 12 hours to eight hours. The study was initiated after a dinner at the white house attended by the heads of the principal steel companies who were asked by the president to make such a change if it could be found practicable.

**AVIATORS REACHED EL PASO THURSDAY**

El Paso, Texas, May 25.—Lieutenants Kelly and MacReady left the T-2 arrived at the Fort Bliss flying field at 4:30 o'clock this afternoon.

Lieutenant C. L. Chennault, of the 12th Observation squadron left the field five minutes before the airplane came in sight from Fort Bliss and escorted the visiting plane to the landing field.

**HARVEY LEFT WASHINGTON FRIDAY**

Washington, May 25.—George Harvey, American ambassador to Great Britain, left Washington today after 10 days spent as the guest of President and Mrs. Harding at the white house. The ambassador did not announce his destination but it was reported that he intended to go to Peacham, Vermont, his native town.

Governor Small SAVES \$67,000 ON SALE OF ROAD BONDS

Holds Out for Certain Figure and Finally Gets It

(By The Associated Press) SPRINGFIELD, Ill., May 25.—Governor Len Small today saved the state of Illinois \$67,000 in a few moments of sparring with bond bidders who bought \$17,000,000 worth of the state's securities.

The saving was made on the \$7,000,000 worth of road bonds, which were sold at \$6,790,000 after the governor had announced he would postpone the sale until next September rather than accept a cent less.

Representatives of the bond houses offered \$6,723,000 as their very highest figures and refused for a time to consider anything higher. The bond men packed their grips and started to leave the executive office but the governor stood firm. Then one of the buyers offered a compromise, when this was rejected finally accepted the governor's figure.

The figure on the road bonds represents an interest yield of 4.4 percent. The \$10,000,000 soldier bonus bonds were sold at \$10,000,000 which represents an interest yield of 4.485 percent.

The successful bidder at both purchases was a group composed of the Guaranty company of New York, Estabrook and company, Bankers Trust company, Ames Emmerick and Company, Stacy Braun, Equitable Trust company, Northern Trust company, Remick Hodger, all of New York and the First National company of Detroit.

Governor Small and all department heads and secretary of State Emerson, State Treasurer Nelson and State Auditor Russell were present at the sale.

AGREEMENT TO PAY OCCUPATION COSTS

(By The Associated Press) WASHINGTON, May 25.—The state department was officially advised today of the signing in Paris of the agreement for the payment of American army of occupation costs. The following statement was issued:

"The department has been advised by Mr. Eliot Wadsworth at Paris that the agreement for the payment of American army costs was signed today in Paris. In substance the agreement provides for the payment of the costs of the American army out of the future cash payments by Germany in twelve annual installments. Any deficit in the first four years is to be distributed over the last eight years.

In the event that the plan of payment does not work out satisfactorily the United States government has the right to 'abrogate' it."

WILL ASK RETURN OF SECURITY POLICE

(By The Associated Press) ESSEN, May 25.—German officials here today announced the strike situation in the Ruhr had assumed such proportions that they had decided to ask General DeGoutte to permit the return of the German security police, disbanded and expelled by the French occupation forces in February. The Germans claim that the presence of these forces is necessary to preserve order in Dortmund and other trouble points.

Thirty iron and steel plants are reported to be closed because of strikes called after visits by communist agitators.

AUTOIST HITS FIRE HYDRANT—SAVES LIFE

(By The Associated Press) OMAHA, Neb., March 25.—Chauncey T. Lamb, Hinsdale, Ill., president of the Rapid City, Black Hills & Western Railway, here on a western trip, told police today that Wilson Maybrey of Omaha saved his life when the latter steered his automobile into a fire plug to prevent striking him.

Maybrey was taken to police headquarters charged with reckless driving, Mr. Lamb appearing later offering to appear in his behalf.

"I was directly in his path and surely would have been hit if he had not steered into the plug," Mr. Lamb said.

**CHARGES DAUGHTER PUT HER IN INSANE HOSPITAL**

Waukegan, Ill., May 25.—Charging that her daughter Mrs. Bertha Brown had "railroaded" her to the Elgin State Hospital, "for gaining control of her \$30,000 estate, Mrs. Elizabeth Powell today was restored to all her property rights, by a jury in county court after she was held sane by a court order on habeas corpus writ. She had been in the asylum two years.

Baldwin Completed Ministry Last Night

(By The Associated Press) LONDON, May 25.—The new administration was completed tonight and is in readiness to meet parliament which reassembled on Monday.

The official list of the cabinet and other officials issued tonight shows the net in change in personnel is the substitution of Lord Robert Cecil as Lord Privy Seal for Andrew Bonar Law, who had held this post for 10 years in addition to the premiership, and the promotion of Mr. Bonar Law's secretary, John C. C. Davidson, to a place in the government—as chancellor of the Duchy of Lancaster. Outside of a few changes in minor offices the men guiding the country's destinies are the same as those under Mr. Bonar Law.

The British ministry, headed by Stanley Baldwin, prime Minister is as follows:

Prime minister and first lord of the treasury, Stanley Baldwin; Chancellor of the Duchy of Lancaster, John Colin Campbell Davidson.

First commissioner of works, Right Hon. Sir John Baird.

Attorney General, Right Hon. Sir Douglas Haig.

Solicitor General, Sir T. W. H. Inskip.

Paymaster General, Major Archibald Boyd Carpenter.

Lord Advocate for Scotland, William Thompson.

Mr. Baldwin in assuming the post of the head of the government had two objects in view: first to secure a stronger government than that under Mr. Bonar Law and second, if possible to reunite the conservative. To some extent he is considered to have succeeded in his first purpose but to have entirely failed in the second. None of the conservatives who "went into the wilderness" with David Lloyd George has seen his way to enter the government.

Mr. Baldwin, nevertheless has succeeded in the popular belief in strengthening his government in a somewhat unexpected manner. He has secured Lord Robert Cecil, who while holding the sinecure position of Lord Privy Seal in order to permit him to continue his work for the league of nations will prove a great accession to the debating strength of the government, and he has obtained a promise from Reginald McKenna, the famous head of the great city and Midland bank to take over the chancellorship of the exchequer a few months hence should Mr. McKenna's health permit.

Meantime Mr. Baldwin holds double office in order to pilot his finance bill thru the remaining stages of parliament.

WILLIAM A. WHITE IS GIVEN DEGREE BY KNOX COLLEGE

Noted Newspaper Publisher is the Guest of Galesburg

(By The Associated Press) GALESBURG, Ill., May 25.—William Allen White, Emporia, Kan., publisher who was a guest of Knox college today when the degree of Doctors of Laws was conferred on him by the local institution was speaker at a meeting at the Galesburg club tonight at which state editors and members of the Illinois High School Press association who are holding their convention at Knox were guests. Mr. White described his recent Mediterranean cruise giving interesting views of the Near East situation and refuge conditions in Constantinople and in Greece. His trip thru Palestine and the Bible country he said left him with strong and definite feeling that there did live in Judea and preach in Nazareth, a man who greatly stirred the people of those times and left his influence on succeeding ages.

"The great miracle is not in the birth of Christ or his resurrection," he said, "but that Christianity night 1900 years ago the old world stopped and a new one began. Christianity has influenced commerce and made over humanity to a new and civilized group always striving toward the perfect. Founded on brotherly love, our civilization is not that of the Turks, it is found in every institution the modern world has."

"The great thing to me is that the man who founded this civilization did live in Judea."

THREE DEAD FROM AUTO ACCIDENT

(By The Associated Press) AMARILLO, Texas, May 25.—Caroline Belk, 13 and Morton Tomlinson, 19, died today from "injury sustained in an automobile accident at a grade crossing last night. Frances Belk, sister of Caroline died instantly. Raymond Wetherly, another youth in the party is not expected to live.

**DEPUTIES EXPRESS APPROVAL OF POLICES**

Paris, May 25.—(By The A. P.)—Th e chamber of deputies today took the first occasion since Premier Poincare's attempted resignation to express their approval of his policies. When M. Poincare entered the chamber for the continuation of the debate on the appropriations for the Ruhr occupation costs nearly the entire body arose and cheered. The demonstration was interpreted as the answer of the chamber to the senate's action on the Caechin case yesterday which prompted M. Poincare to proffer his resignation to the president.

BREWERY OFFICIALS PLACED ON TRIAL IN CHICAGO YESTERDAY

President of Company Was First Witness for Defense

(By The Associated Press) CHICAGO, May 25.—Henry Horner, 73 years old, president of the Star Union Brewing company of Peru, Ill., which with its officials and two employees is charged with violation of the prohibition law was the first witness for the defense today. He is a banker as well as a brewer and a former mayor of Peru for twelve years. He has lived in Peru about 45 years he said.

Mr. Horner testified that he had not for some time actively participated in managing the brewery and had no knowledge of the manufacture, shipment or sale of real beer.

Wilhelm Klingler, a foreman at the brewery, was the next witness. He said he was at the brewery at 4 A. M. on Feb. 19, the date of the seizure by prohibition agents of a truck which left the brewery. He also told how number eleven brought him instead of good luck. He testified that he was given orders to tap vat No. 7, but in the transfer of instructions No. 7 was mistaken for No. 11, and the supply of near beer for Feb. 19, was taken from that vat, which contained beer in process of fermentation.

"That mistake, attorneys for the defense said, explained why prohibition officers in a raid on that day might have found an illegal percentage of alcohol in the liquid as testified by the government chemists who said the liquid tested from 3.58 to 4.12 percent alcohol.

**STREET CAR EMPLOYEES AND OWNERS CONFER**

Chicago, May 25.—Representatives of the Chicago Surface Lines and employees of the company held a conference today to discuss the men's demands for a ten cent hourly wage increase June 1, but failed to reach an agreement, it was announced after the conference. Another meeting will be held Monday. Representatives of the men have intimated that a strike may be expected unless the 10 cents an hour cut from their wages last year is restored.

TIRE BLOWS OUT; PLANE WRECKED

Bryan, Ohio, May 25.—A tire blew out just as the aerial mail plane from Cleveland was landing here at 9:30 this morning, wrecked the machine and seriously injured the pilot, Arthur Smith.

The bursting tire tilted the plane, one wing catching the earth and turning the ship completely over with its seven hundred pounds of mail and pinning the aviator under it. The plane was said to be a total loss.

ENGLAND CONTENTS AUTHORITIES HAVE NO JURISDICTION

Over Bringing in Liquor as Part of Foreign Ship's Supplies

(By The Associated Press) WASHINGTON, May 25.—Great Britain's position on the ship's liquor question as communicated to the state department today by the British embassy is understood to be based on a contention that American port authorities have no jurisdiction in international law over liquor brought into American waters as a part of the regular supplies of foreign vessels.

The authority of American officials, under this construction, extends only to portions of the cargo of foreign ships which are intended for importation into the United States and in no way permits of interference with either the physical, mechanism, rationa, stores of such vessels when they put into American ports. While this principle apparently conflicts with that recently laid down by the supreme court indications are increasing that the treasury department has found a way to reconcile the two by permitting ships under foreign registry to list the wine rations of their crews as a part of the medicinal stores allowed under the law.

In the new regulations now being drafted treasury officials are said to have taken due cognizance of the fact that the opinion of the supreme court made no mention of the medicinal liquor clause. Some officials are known to hold this class be broad enough to protect liquor stocks from confiscation if they are placed under the charge of the ships' doctor when a vessel comes inside the three mile limit.

SHRINERS TO MEET SOON; PRICES GO UP

(By The Associated Press) WASHINGTON, May 25.—Plans to place the national capital in a statement of extra preparedness for the Shriner's convention which opens June 4, encountered several complications today.

One result was the cancellation of a new set of Metropolitan traffic regulations, which prohibited all parking of vehicles in the downtown section of the city. Originally designed to take care of an influx of visiting traffic which has not yet arrived the actual result of the regulations when they went into effect last midnight was to denude the downtown streets and empty downtown shops of customers.

Meantime, another appeal to business houses not to boost food and other prices was issued by the committee in charge of convention arrangements after it had received reports of a rise of from 1 to 2 cents a pound in fresh meat. The dealers replied that wholesale meat prices always go up at this time of year and asserted that while beef prices to the consumer had advanced, pork prices had been lowered.

The committee also announced it would investigate an increase of 20 cents a gallon in wholesale ice cream prices attributed by manufacturers to higher production costs.

Regulations clearing Pennsylvania avenue of automobile traffic from 7 p. m. until midnight every night until after the close of the convention resulted in thousands of pedestrians rolling up and down the street between the capitol and the white house.

ALLEGED KIDNAPERS SAID TO HAVE CONFESSED

(By The Associated Press) CHICAGO, May 25.—Three men arrested in connection with the kidnaping of Mrs. Forest G. Smith Thursday evening who said she had been robbed of \$25,000 in jewelry and left stranded in the street, are said to have confessed to the kidnaping and robbery. The confession is said to have cleared Sergeant George Parker and Patrolman Francis O'Malley, proprietors of a cafe in which Mrs. Smith, wife of an Oak Park attorney visited in the company of other women and men the night of the robbery and who had been held as accessories to the robbery. The three men, Jack Reilly, Michael O'Leary and Leo Lorenzo, were said to have been members of the party which visited the cafe and that they later kidnaped Mrs. Smith ordering her chauffeur from the car at the point of a gun.

CHICAGO MAN SHOT BY JEALOUS WOMAN

Chicago, May 25.—Jack Singer, 28 years old superintendent of a cab company and a deputy sheriff, was shot and possibly fatally wounded tonight by Miss Irene Hunter, following a quarrel at his apartment. The girl told the police that she shot Singer after he had threatened to leave her.

EXPLOSION SETS FIRE TO 500,000 GALLONS OF OIL

Firemen Helpless to Fight the Blaze—Loss \$350,000

(By The Associated Press) ROCHESTER, N. Y., May 25.—Five hundred thousand gallons of oil stored at the plant of the F. B. Rae Oil company were ablaze here tonight.

Starting with two explosions which shook the entire city shortly after seven o'clock the fire quickly spread and enveloped everyone of the twenty-five oil tanks in which the thousands of gallons of oil, turpentine, naphtha gasoline, lubricating oil and other oil products were stored. The oil is valued at \$250,000 but it is believed the property damage will bring the total loss to about \$350,000.

Firemen were helpless to combat the flaming oil and turned their efforts to prevent the spread of the fire especially to a shed containing 30,000 gallons of turpentine. Chief Jaynes said the fire would burn probably for a couple of days. At a late hour tonight a hasty checkup revealed serious casualties. A few firemen were burned but receiving first aid returned to duty. The cause of the fire has not been determined.

OFFICIAL OF POST DISPATCH DIED THURSDAY

William Seigers Passed Away at Home in St. Louis

(By The Associated Press) ST. LOUIS, Mo., May 25.—William Seigers, a director and second vice-president of the Pulitzer Publishing company which publishes the Post Dispatch, died at his home here late today following his third apoplectic stroke in little more than a year. He was a director of the World's Fair here in 1904 and was widely known in newspaper circles.

Mr. Seigers was past exalted ruler of St. Louis Lodge No. 9, Benevolent Protective Order of Elks and was a member of several clubs. Born and educated in St. Louis he began his newspaper career in 1863 on the old Evening Dispatch and soon became advertising manager. Ten years later he went to the Evening Post, as advertising manager and when the late Joseph Pulitzer acquired and consolidated the two papers in December of that year, he retained Mr. Seigers as advertising manager. He remained in the service of the Post Dispatch continually, except for 1895-96 when he was connected with the advertising department of the New York World which also is a Pulitzer publication.

For the past few years he has been second vice-president and a director of the Post Dispatch.

Mr. Seigers' wife died in March of last year.

THREE DEAD IN MONTEREY STORM

(By The Associated Press) MONTEREY, Mexico, May 25.—It is reported that three persons were instantly killed and several others seriously hurt in a sudden storm of wind and rain at 8 p. m. Wednesday. One family had every member injured except the father, two being killed.

The streets were flooded by the rainfall. Street car traffic was stopped and the city was in darkness for several hours. Many trees were uprooted and telephone poles over-turned.

The storm wrecked the cornice and a statue on the front of the city theatre. This great weight of stone and brick falling on the balcony over the sidewalk carried it down in a confused mass on the heads of a number of people who had taken shelter there.

FINDS ASSAILANT DIGGING HIS GRAVE

(By The Associated Press) LOS ANGELES, Cal., May 25.—The awakening from unconsciousness caused by three bullet wounds to find the man he said shot him rigging his grave was the experience related today to citizens of Acton near here by Alexander McCoskey of Lancaster, a suburb. He dragged himself away from the bushes in the darkness as his assailant kept digging and finally attracted attention of passersby.

Deputy Sheriffs found C. M. Converse, 50, of Los Angeles near a newly dug grave of regulation size. Converse admitted the shooting, the officers said, but declared it was not premeditated. McCoskey, whose condition is critical, said the shooting was the result of a quarrel over a horse and wagon.

**CHINESE PIRATES SEIZE OIL STEAMER**

Canton, May 25.—A lighter with a full cargo of kerosene, owned by the Texas Oil company was seized by Chinese pirates near here today. An armed party near the American Gunboat Helena has been dispatched in pursuit.

BIBLE DEFENDED BY E. H. GARY IN ANNUAL ADDRESS

Steel Head Pleads for Christian Principles in Business

(By The Associated Press) NEW YORK, May 25.—Religion and world politics vied with steel in the discussions at the annual meeting of the American Iron & Steel Institute today.

Eliot H. Gray chairman of the United States Steel corporation and president of the institute devoted most of his annual address to a defense of the Bible and a plea for a turning toward Christian principles in business and political as well as in personal affairs.

Tonight at the annual dinner Prince Gelasio Caetani, Italian ambassador to the United States, delivered before the steel makers a defense of Fascism, which he declared was "a great spiritual movement founded on the principle that every individual must be ready to sacrifice himself for the good of the community."

Mr. Gary became suddenly fatigued while delivering his address this morning and had to leave the reading of the last part of it to Charles M. Schwab, who is vice-president of the institute. A house physician at the Hotel Commodore where the meeting was held, examined him and announced that his health was excellent and that he merely had been overcome by his exertions in the sweltering atmosphere of the grand ball room.

The outstanding industrial phases of the institute's session are:

1.—A declaration by Mr. Gary that "there is nothing in sight to indicate that there will be a substantial diminution of the demand for finished steel in this country during the next six months at least."

2.—Approval by unanimous vote of the institute, of a report of a special committee advising against any attempt to eliminate at this time the 12 hour day in the steel industry. This committee with Mr. Gary at its head had considered the question of inaugurating an eight hour day at the suggestion of President Harding.

Prince Caetani in his address likened Premier Mussolini, the Fascist leader, to Theodore Roosevelt.

He predicted that the laboring masses soon would discover that Mussolini, whom Bolshevists call tyrant and dictator, would lead them to prosperity and individual liberty "in striking contrast to the misery and enslavement of the workmen in Russia."

Harmony between capital and labor, peace with other nations, hard work and increased production are the aims of the new regime Prince Caetani said.

JURY UNABLE TO REACH DECISION

(By The Associated Press) CHICAGO, May 25.—The grand jury which investigated the death of Leighton Mount, Northwestern University student who disappeared after a class fight in September, 1921, today reported its inability to reach a conclusion from the evidence presented as to whether Mount died from violence. The grand jury made no further report on the case. Following the jury's report, Walter Dill Scott, president of Northwestern, announced that the reward of \$10,000 offered by the university for information leading to solution of the mystery still stands.

unprovoked, killed and buried a policeman and then fled, is being flashed in moving picture houses all over the country. Thus the movie screen becomes a detective.

SEVERITY FOR BOOTLEGGERS

While some states are showing a disposition to condone liquor offenses, others are growing more severe. A law just become effective in Ohio shows the extent to which exasperated public opinion is willing to go.

Stiff fines are provided for selling, possessing or transporting liquor, increasing with repetition of the offense, with any offense after the second punishable by a fine of \$500 to \$5000 and a prison term of two to 10 years.

It is expressly provided in the law that no part of any fine may be remitted and no sentence may be suspended in whole or in part. The judge has no option.

Most impressive of all is the provision that any person selling, giving away or otherwise furnishing wood alcohol or other poisonous stuff as a beverage, resulting in the death of another, shall be charged with second degree murder and, if convicted, shall be imprisoned for life, with no alternative.

If such a law, enforced, will not stop the illegal traffic in liquor, perhaps nothing will. The test will be watched with interest by other states.

THE HOARDER

The other day, when a wealthy woman died suddenly, and relatives entered her house for the first time in many years, they found it so crowded with all sorts of junk that space had to be cleared before the coffin could be set up. An auction conducted for an entire week after the funeral disposed of only a small part of the accumulation.

The most pitiful thing about the case is that none of the stuff which the woman had bought and hoarded thru many years was either particularly valuable or interesting. She was simply possessed with a mania for possession. A tin stove pan or a remnant of two yards of calico served her passion for accumulation just as well as a Whistler etching or the rarest marble. She had crowded her life with trash just as she had cluttered her home, until there was no room for friendliness or helpfulness or beauty.

Of course she was unbalanced and carried the thing to ex-

tremes. But most human beings hoard a lot of stuff, material and mental, as they go thru life, which is valueless in itself and crowds out a deal that is more worth while.

FROM KLONDIKE

NEA  
Summer is definitely on its way. A wireless from Dawson announces that the ice has gone out in the Yukon river. With a thundering crash, millions of tons of ice broke and swept past Dawson on its way toward the sea.

Watching from the bank, Dawsonites saw three young caribou marooned on an ice floe in the middle of the river, headed for death. Survivors, apparently, of some herd that had tried to cross the river just as the ice broke.

Caribou by the tens of thousands have been wondering near Dawson recently. Several hundred of them, the day the Yukon ice broke, "passed through the outskirts of the city unmolested.

That's a touch of the dramatic, men allowing wild game to mingle with them without shooting. On the borderline of common danger, even the lion and the lamb lie down together. In the average city, there would have been a rushing for rifles. In Dawson, men are sports enough to give caribou a chance for their lives.

In the Far North are few "sportsmen-hunters." Men kill there only for food, hides and furs. Very little killing for the sheer joy of murdering a beast.

They may not realize it, but subconsciously they are responding to the principle that various forms of life get along peaceably together in the presence of common danger. In a forest, fire, natural enemies such as deer and timber wolves rush to the same lake or river and, safe from the fire with only their nostrils exposed, forget their usual feud.

Even man has been decent enough to pass laws protecting fish, birds and game beasts during the mating or rearing season.

In civilization, men stalk each other. But let a common danger come—such as a flood or big fire or disease epidemic—and they instantly forget their traditional warfare. All band together for the common good.

For this reason, one of the greatest perils of civilization is that it makes existence too "soft." Removed from common natural enemies (such as wild beasts, starvation and freezing), men turn on each other and by war or crime vent the fighting energy inherited for the purpose of fighting crude nature in the struggle for existence.

That's why wars become more terrible as we get more "civilized."

Possibly Providence sent the great flu epidemic to help restore the common-welfare instinct in a war-torn world.  
We're much in need of a great natural catastrophe to make us co-operate instead of stalking each other. Peculiar weather this spring has made some wonder if another Ice Age is coming. If it did, war and organized thievery would vanish overnight. Nature has been too good to us, too easy.

BERTON BRALEY'S DAILY POEM  
A CERTAINTY

By Berton Braley  
FROM Washington to Harding,  
Our presidents have sworn,  
"I long to be discarding  
The office robes I've worn;  
The thing on which I dote is  
To live like common men."  
But none the less you'll notice  
They always run again!

"THE cares of state are heavy."  
Our presidents complain,  
"A tribute harsh they levy  
Upon the nerves and brain.  
We're always in subjection  
To strains beyond your ken."  
But at the next election  
They always run again.

THEY say they hate the clamor  
With which each day's atroph,  
They loathe the pomp and glamor—  
That's bunk; they like the job!  
The height which they've ascended  
They all enjoy, and when  
Their four-year term is ended,  
They always run again.

ROODHOUSE TO HAVE BAND TOURNAMENT

Interesting Event Is Planned Under Auspices of Roodhouse American Legion Post—Fourth of July Plans

Roodhouse, Ill., May 24.—A band tournament sponsored by the local American Legion post is being arranged to be held in Roodhouse some time during the month of July. Bands within a radius of 50 miles of Roodhouse will be invited including the K. of P. band of White Hall, the American Legion band of Jerseyville and the bands at Merritt and Jacksonville. Drum and bugle corps are also to be invited and prizes will be offered for the best organizations in each class. Committees will be appointed and definite arrangements made and announced shortly. At the last meeting of the American Legion the committee on celebrations decided to hold this meeting on the Fourth of July as this date was announced earlier thru the press as a day set aside for celebration by the American Legion of this city.

Senator James Reed of Kansas City will be the speaker of the day.

William W. Merrill was operated on for appendicitis at Ashbury hospital in Minneapolis Monday morning. He was reported to be in good condition subsequent to the operation and barring the unexpected to make a rapid recovery. His father, Frank Merrill, is with him and will remain in Minneapolis this week. Mr. Merrill has returned home, his son is getting on nicely.

MATT STAR POST AND RELIEF CORPS MET

There was a very good meeting of Matt Starr Post G. A. R. yesterday considering the number of the grey heads left. Commander John Minter presided and final arrangements were made for Memorial Sunday and Decoration day.

A very happy event followed. The worthy ladies of the Relief Corps invited the Veterans to stay to their regular meeting and it was indeed a pleasant event. The attendance was good and it was truly a pleasure to look over the gathering and note the intelligent and attractive faces of the ladies gathered there. The beautiful and impressive ritual of their order was very interesting and was well carried out and at the close several members of Matt Starr Post were invited to make remarks. Commander Minter leading and followed by others.

After the meeting adjourned all were asked to remain and partake of nice refreshments served by the worthy ladies and much enjoyed by the old fellows some of whom compared the excellent bill of fare with the meager diet at times supplied them down in Dixie.

It was a very pleasant occasion and the old boys felt very grateful to the good ladies for the courtesies tendered them.

COMMENCEMENT WEEK  
EVENTS AT WHITE HALL

Various Activities Will Mark Closing of School Term—Other White Hall News.

White Hall, May 25.—Various activities are marking the closing of the school term. Exhibits of school work are on display to the public in the high school and the gymnasium until tomorrow night. Coupled with this is the tension over the outcome of the work of the track team in Chicago Saturday.

Commencement exercises will be held in Princess theatre next Thursday evening, the 31st. There are thirty graduates as follows: Edna Shirley Barrow, Kathryn Lucille Callans, Henry Russell Coonrod, Norma Ruth Davis, George Frederic Edwards, Helen Male Edington, John Francis English, William Albert Farmer, Harold David Garrison, Ray Daniel Goode, Robert Henson Hurst, Margie William Hanks, Merrill Donald Kesinger, Mary Lucille Long, Louis Adams Lowenstein, Rita Lucille Nash, Chester Robert Painter, Mildred Marie Randall, Nelle Irene Rhodes, Homer Akers Rimbey, Paul Edward Rimbey, Addie DeSeely, Perry Edward Sherwin, Lillian Frances Sullivan, Docia Irene Vandaveer, Nellie Gladys Veeder, John Chester Williams, Lewis Raymond Williams, Lloyd Raymond Winters, Viola Marguerite Wright.

On Friday evening, June 1st, the annual banquet of the alumni association will be held in the Presbyterian church with C. A. Whiteside as toastmaster. Preceding the play, "Doris and the Dinosaur," there will be vocal numbers by Russell Knox and Miss Etta Guellett. The welcome address will be by Norman Davis, to which response will be made by Viola Wright. There will be responses to toasts by Dwight Sykes, Lyndell Rose and Lynn Vermillion. The cast for the play brings out some of the best histrionic talent in the alumni, the leading role being taken by H. W. Shirley, and the lesser roles by Ruth Bridgewater, Georgine Piper, Grover L. Thompson, Byron Vermillion, Kate Ellis and Mrs. Carl Lowenstein. The alumni officers are Norman Davis, president; Vernon Barnett, vice president; Mina Seely, recording secretary; Mable Wemken, corresponding secretary.

Next Sunday night Rev. J. O. Kirkpatrick will deliver the baccalaureate address in Princess theatre. The schools are being interested to an unusual extent in the annual memorial sermon to be delivered Sunday morning in the Presbyterian church by Rev. L. E. Ellison.

The senior class day exercises will be held next Monday. Prominent events in connection with the closing days of school were the senior class play on the 8th under the direction of Miss Georgine Piper and the banquet to the senior class by the juniors on the 19th, served by the local chapter of the P. E. O.

Thomas Marshall of Chicago, field representative of Kiwanis has been in Jacksonville during the week. Wednesday he made a trip to White Hall in company with F. R. Rantz, secretary of the Jacksonville club. The two gentlemen conferred with a number of our citizens relative to the purposes and principles of Kiwanis. They explained that they had been attracted to White Hall as a possible field for such an organization, and felt very favorable toward the spirit of the gentlemen whom they met. No attempt will be made at this time to press the formation of a club here.

**Thousands have weak Blood and don't know it—**

YOU can find out if you are "s p o t t y" them, where ever you meet—pale and anemic! You know, too, the rosy lipped, correct weight, snappy eyed man or woman with rich red blood. You recognize them at a glance! Remember this: the number of blood-cells you have controls your nerves, your vitality, your health and strength! It is all you have! The answer, then, is, build up your blood-power! S. S. S. will do it! It is the great blood-cell builder known. This is why it has proven such start-

ling results in rheumatic conditions, in stopping pimples, blemishes, skin eruptions, in clearing and beautifying the complexion, and in building up thin, worn-out men and women. Stronger and more useful nerves depend on blood-power. S. S. S. will improve your appetite and give you greater energy, strength and a more youthful appearance.

Mr. C. Vega, 1228 Vine Street, Cincinnati, Ohio, writes: "I have followed your directions carefully and am highly pleased. S. S. S. has improved my complexion. I have gained in weight and feel much stronger." Try it yourself. S. S. S. is sold at all good drug stores. The large size is more economical. Get a bottle today!

## THREATS AGAINST MEMBERS OF JURY

(By The Associated Press)  
CHICAGO, May 25.—Threats have been made against the life and business of three members of the Lake county grand jury which has been investigating charges of attempts at tampering with the jury that tried and acquitted Governor Len Small of conspiracy charges it was reported here today.

In one instance a deputy sheriff has been assigned to guard a juror, William A. Thomas, who said he had been shadowed and warned to "lay off" particularly in regard to Michael Boyle, union labor business agent who A. V. Smith, state's attorney considers an important witness. The grand jury will reconvene tomorrow and Boyle will be given another opportunity to answer a question which he refused to answer when he appeared before the jury several days ago. Judge Robert K. Welch of Rockford will take the place of Judge Claire Edwards on the bench to hear a motion to hold Boyle in contempt if he refuses to testify according to officials in charge of the investigation.

Ben Newmark, a Chicago detective and C. R. Miller, state director of public works are expected to be other witnesses before the jury.

## SCOUT CRUISER PASSES ALL TESTS

(By The Associated Press)  
ROCKLAND, Me., May 25.—A broom signifying she had made a clean sweep of the tests was lashed to the masthead of the scout cruiser Detroit tonight when she returned from the first of her builder's acceptance trials with a speed record of a fraction over 35 knots an hour for one mile.

The Detroit attained this speed on one of the high speed runs of her standardization tests as compared with 34.48 knots made recently by the scout cruiser Richmond, the only other craft of this type that has been tried. The average of the Detroit's high speed group was between 34.6 and 34.7 as compared with the Richmond's 34.2 on similar runs.

In addition to her high speed the cruiser in her runs today developed 100,000 horse power nearly 10,000 in excess of expectations.

## BRIEFS

(By The Associated Press)  
Peoria, Ill., May 25.—Leaping from a second story window of a room which they were cleaning, Helen Bellamy, Canton, and Lotie Barnes, Peoria, inmates of the detention home here, made their way to freedom early today. Police are searching.

Peoria, Ill., May 25.—Unconscious from gas fumes pouring from four gas jets, Mrs. Laura Wynd, aged 50 is in a serious condition today at a city hospital.

Springfield, Ill., May 25.—Adjutant General Black today appointed Dr. Clyde D. Gulick of Urbana to be captain of the medical corps detachment of the second squadron of the 106th cavalry.

Sterling, Ill., May 25.—The third clothing store robbery in this vicinity in the last two weeks was perpetrated last night when the entire stock of the A. E. Bennett Clothing store at Tampico, near here, was stolen. Nearly 100 men's ready-to-wear suits were in stock. The other similar robberies were at Ohio and Franklin Grove.

Dixon, Ill., May 25.—The largest fine and longest jail sentence ever imposed in the Lee county court was given Elmer Roberts by County Judge John B. Crabtree, when he fined Roberts, who repulsed a sheriff's force with gunfire when they went to search his house near Amboy, a few weeks ago, \$1,000 and sentenced him to six months in the county jail for the possession and sale of intoxicating liquor. Roberts is under bonds to the grand jury on charges of resisting an officer and assault with a deadly weapon.

Washington, May 25.—To provide funds for improvements and betterments the Chicago, Rock Island and Pacific railroad asked the interstate commerce commission today to authorize an issue of \$7,000,000 in three year 5 1/2 per cent notes. The company plans to deposit \$11,666,000 in 4 per cent bonds as collateral.

Dixon, Ill., May 25.—The directors of Mount Morris college, an institution sponsored and financed by the Brethren church, have decided to continue the institution, rescinding their previous decision of May 7 to close the school at the end of the present year.

Bloomington, Ill., May 25.—Col. James Edward Johnson, one of the prominent residents of McLean county died yesterday at Lexington, where he made his home. Complications of diseases, due to old age being the cause.

Col. Johnson was appointed quarantine agent and livestock inspector under Governor Joseph W. Eifer and established the first successful quarantine rules in the stock yards at Chicago. He also held numerous other political offices. He was 77 years of age and is survived by four children.

Chicago, May 25.—Wage negotiations which involve an annual expenditure of approximately \$4,500,000 and 15,000 men have been requested of 75 carriers of the United States by the Brotherhood of Railroad Signalmen of America, D. W. Heit, president of the union announced today.

Waukegan, Ill., May 25.—Threats against William A. Thomas, member of the grand jury investigating charges of jury tampering during the trial and acquittal of Governor Len Small, has caused Judge Claire C. Edwards to assign a deputy sheriff to act as the grand juror's guard. It became known today.

## REFUSE GERMAN MADE POPPIES

(By The Associated Press)  
CEDAR RAPIDS, Ia., May 25.—The American Legion auxiliary failed to have its bonfire tonight which it had planned for the purpose of burning ten thousand German-made cloth poppies. After a decidedly heated meeting at which Maurice Cahill, local post commander pleaded with the women to abandon the bon fire it was decided to do so. Several members of the auxiliary contributed to a fund of \$180 to reimburse the organization for its outlay for the "Made in Germany" poppies. The poppies, it was announced, will be placed in a downtown window as a reminder of "German made goods."

The auxiliary had hired a band and had arranged to hold a big parade tonight to terminate on Municipal Island, where the poppies were to have been cast into the flames as orators preached Americanism. All the program except the speaking was called off. The poppies were bought from an Indiana firm and were to have been sold on "poppy day" tomorrow.

## WILL DECIDE ON WAR OR PEACE TODAY

(By The Associated Press)  
LAUSANNE, May 25.—War or peace in the Near East is likely to be decided at a private conference tomorrow, originally planned between the British, French, Italians, Greeks and Turks but now to include the chief delegates of all the nations attending the Near East conference including the United States. Jugo-Slavia insisted upon being invited, therefore the allies decided to include the delegates of Rumania and Japan and Joseph C. Grew, the American minister had to be asked as otherwise he would have been the only one absent.

Allied leaders described as critical the situation growing out of the Greco-Turk reparations controversy but they hope apparently to save the conference on the basis of some form of territorial concessions by Greece.

Ismet Pasha the Turkish spokesman is busy communicating with Ankara consulting moderation. His government is said to be as uncompromising as the cabinet at Athens.

## MAYOR SHANK HIGHLY INSULTED

(By The Associated Press)  
INDIANAPOLIS, Ind., May 25.—Mayor Shank of Indianapolis today stopped all co-operation between the city government and the Indianapolis Motor Speedway Management in preparation for the Memorial Day race, the mayor explaining the speedway officials had offered a "deliberate insult to a distinguished visitor in our city" and himself.

The mayor said it had been reported to him that admission to the speedway was refused United States Senator Simon D. Fess of Ohio and a party sent to the race track by the mayor in company with a police official.

"You go back and tell the big stiff (the mayor) that it will cost him fifty cents a head for anyone he sends out here," a gate keeper was quoted as saying.

The mayor said he appealed to Theodore Meyers, general manager of the speedway, and that he replied:

"What the gatekeeper said goes for me, too."

City street oiling machines used to oil roads leading to the grounds have been withdrawn, there will be no police detailed from the city and no ambulance service, the mayor declares. Only fire protection will be afforded.

## RELEASE LEADER OF FRESHMAN CLASS

Fargo, N. D., May 25.—Byron Hanson, president of the freshmen of the North Dakota Agricultural college, who was kidnapped Wednesday night by sophomores to prevent his taking part in the annual class rush, was released today.

Phillip Fitzgerald, a sophomore who was spirited away by the freshmen in retaliation for the kidnapping of Hanson was released a few hours afterwards and became known today. The freshmen refused to kidnap the sophomore class president because she happened to be a girl Miss Mary Lattimer.

## Kellogg's Bran is prepared to do one thing—AND DO IT WELL!

Kellogg's Bran will permanently relieve constipation, mild or chronic, it is scientifically prepared for that purpose. It is ALL BRAN, therefore it has the necessary bulk to assure results. Foods with a small bran content cannot afford permanent relief.

When your physician or friends advise you to eat Kellogg's Bran, you follow-on for the purpose of eliminating a dangerous clogging-up and toxic condition of your system. You can't afford to take half-way measures. Think of the lost time and the dangers of illness you are daily dodging!

What you must have is real bran—KELLOGG'S BRAN, and if you will eat it regularly each day you will become a different person within a week or so. Kellogg's Bran, with its natural bulk, sweeps, cleanses and purifies. It not only gives relief, but it regulates the bowels. Every member of your family should eat it—every day—at least two tablespoons; in chronic cases as much with each meal.

Try Kellogg's Bran mixed with a hot cereal, or cook it with hot cereals, adding two tablespoons of Bran for each person. Other popular ways are to sprinkle Kellogg's Bran on hot or cold cereals or to eat it as a cereal with hot milk. You can make delicious bakery products with Kellogg's Bran. Recipes on every package.

Kellogg's Bran is not only nationally sold in grocery stores, but can be had in individual packages in first-class hotels and clubs. Ask for it at your restaurant. Be certain to eat Kellogg's Bran daily for health's sake!

## LOCAL LEGIONAIRES INVADE SPRINGFIELD

Hold Enthusiastic Meeting in Capital Friday Evening—Springfield Post to Hold Regular Meeting in Jacksonville on June 15.

About twenty-five boosters from the local American Legion post, accompanied by their usual contingent of vaudeville artists and band from the vocational training center, went to Springfield yesterday evening and produced an impression of a live bunch on the citizens of the capital. The band played before a large crowd at the corner of Sixth and Adams streets, after which Commander Kahl of the local post was introduced by Commander Knotts of the Springfield Legion. Kahl made a rousing speech. The band then paraded around the square, distributing advertising, and the company was led to the fourth floor of the court house to the regular meeting of Springfield post in the G. A. R. hall, where members of the G. A. R. were also guests.

Here the vaudeville artists gave a short program consisting of violin and vocal solos, and Commander Kahl made another speech, telling the audience something of the activities of the local post. A banquet followed the program.

The regular meeting of the Springfield Legion post falls on June 15, and the members have been ordered to appear in Jacksonville for the meeting on that date. The assembly in Springfield is cancelled.

Next Tuesday evening the legion will take a group to Winchester and next Friday evening to Virginia, leaving on both trips at the usual time, 8:15, from the north side of the square.

## AMERICAN MINISTER OFFERED GOOD OFFICES

Lausanne, May 25.—After having consulted with the allied leaders at the Near East peace conference, Joseph C. Grew, the American minister to Switzerland, who is acting as observer at the conference tonight called successfully on Ismet Pasha and M. Venizelos, respectively heads of the Turkish and Greek delegations and offered his good offices in an endeavor to reach a solution of the reparations problem which has brought the conference to a critical stage. Mr. Grew laid stress on the urgency for modification by both sides to the controversy. His earnest plea that neither side act hastily has seemed to impress M. Venizelos and Ismet, who expressed appreciation of the minister's offer of assistance.

## SECOND OF SPRING RECITALS GIVEN

Junior Department of the College of Music of Illinois Woman's College Appeared Last Night Last Recital Today.

The second of the recitals of the Spring Festival by the Junior department of the College of Music drew another large audience last night.

To say that the work of the preceding evening was amply sustained is to give praise indeed to the teachers and those who represented the various studios. In these two recitals the effort was made to arrange the programs so that they would be as nearly equal in merit as possible.

The theory demonstrations on this occasion was in the hands of Miss Florence Kirby, under whose able leadership the work of the junior department moves forward. The work of this younger theory class consisted of drills in recognizing and writing rhythms in ear training and melody dictation and in playing of scales one active in parallel motion; also of naming and writing key principal triads and the dominant seventh chords of major keys and during the playing of the number of four violins the two girls and two boys were pitted against each other so that judges in the audience could determine which two held the violins in the best position. The decision was won by the two girls who will later receive a trophy from their teacher Miss Horsburgh. The boys were commended for their efforts while losing the decision.

The last of the series will be given Saturday afternoon at 2:30 o'clock when another large audience is anticipated.

## MOVIE THEATER OWNERS AGAINST PROPAGANDA

(By The Associated Press) CHICAGO, May 25.—The motion picture theatre owners of America, representing approximately 12,000 exhibitors throughout the country, went on record today against unpatriotic influences and political propaganda thru the screen. A resolution adopted by the executive committee elected by the annual convention just closed declared the intention of the affiliated exhibitors "to recognize their duty as a moulder of public opinion and an educator of youthful minds by refusing to show upon my screen any picture that might have an unpatriotic, unwholesome, or immoral effect upon the life and mind of any auditor."

Other resolutions adopted urged opposition to federal censorship and activity by the theatre owners against the extension of daylight saving time. Sympathy with Mrs. Wallace Reid over the death of her husband was expressed in a resolution supporting Mrs. Reid's "fight against the drug evil." The next convention place was not chosen, the selection being left to the executive committee.

## MOTOR BOATS NOW PATROL DETROIT RIVER

(By The Associated Press) DETROIT, Mich., May 25.—Four motorboats now patrol the Detroit river in search of liquor smugglers, it was announced at the office of J. R. Davis, federal prohibition director for Michigan, today. This is twice the number of boats in operation last summer.

It is expected more boats will arrive within a short time. Director Davis said.

Sheriff George A. Walters of Detroit said today he did not know how many patrol boats were in operation or how much liquor was being smuggled across the river at the present time. The four motorboats now in service have been put on recently Director Davis stated. The two boats used last summer were taken south during the winter and were replaced with four when the river became navigable this spring.

Mrs. A. C. Moffitt, Mrs. Alice Welles and Miss Lina Gibson, all of Waverly, were shopping in the city Friday.

## HOWITZER COMPANY GETS EQUIPMENT

Greater Part of Quartermaster Supplies Received Yesterday—Will Start to Recruit Company

The local howitzer company yesterday received the greater part of their quartermaster supplies making equipment for 63 men.

The value of the goods received yesterday amounted to several thousand dollars and included uniforms, both khaki and O. D. wool, campaign hats, wrap and leather faced leggings, dress caps, O. D. shirts, shoes, overcoats, hat cords, pistol belts, collar and cap ornaments, bed sacks, blankets, shelter tents, large camp tents, bugles, kitchen equipment, pocket magazines, first aid kits, spurs for the mounted officers, identification tags, mess kits, waterbags, canteens, stretchers, trenching tools and raincoats.

The company now has two guns and the gun carts have been shipped from the testing grounds at Savannah, Ga., and should arrive in a very few days.

This equipment has been very badly needed as all supplies of the local company were destroyed at the time of the disastrous fire that destroyed the old army building on the south side of the square. As Captain James now has sufficient equipment for several more men he will start at once to recruit the company up to maximum strength.

## Rheumatism Ended By Tanlac, Says Hanson

For Ten Years, It Was All He Could Do to Hobble Along, He States—Troubles Now Entirely Gone.

"I couldn't see much improvement on my first two bottles of Tanlac, but if I had quit the treatment then it would have been a disastrous mistake. Five bottles pulled me out of a bad hole and I am glad to recommend Tanlac to anyone and tell them to stick to it," declared John Hanson, a miner for the Manhattan Coal Co., East Peoria, Ill.

"I was in awful shape from stomach trouble and rheumatism for ten years or more. My hips,

back and legs pained me so bad it was all I could do to hobble along. After eating I suffered from gas bloating and the fiercest kind of pains, got very little sleep nights, and always felt weak and worn-out.

"That's the fix I was in when I started on Tanlac, but I never have a touch of rheumatism these days, my stomach is in good working order, and I have a world of endurance. Tanlac is the best medicine ever put in a bottle."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere. —Adv.

## ROGERS HORNSBY NAMED IN DIVORCE

ST. LOUIS, May 25.—Rogers Hornsby of the St. Louis Cardinals, champion batsman of the National League last season was mentioned in a divorce proceeding here today.

The proceeding was an argument in domestic relations court on John D. Hines application to have a divorce, recently granted his wife, set aside. Hines, an automobile salesman alleges his wife obtained the divorce by deception, asserting she told him she had dropped the suit and consequently he did not contest it. Hine alleges his former wife was seen emerging from a hotel in

New York with Hornsby and exhibited a typewritten letter the ball player is alleged to have written the former Mrs. Hine referring to her as "my darling little sweetheart" and saying it would be better "if my wife" did not return to St. Louis. Mrs. Hornsby is said to be on the Pacific Coast.

Hornsby's name is not mentioned in the petition, the space being left blank, but Circuit Judge Ossing asked who the man was and was told "Rogers Hornsby."

Hornsby is said to be enroute to St. Louis from Pittsburgh to recuperate from a leg injury he suffered recently.

## ATHLETICS HAVE YANKEES NANNY

PHILADELPHIA, May 25.—Connie Mack's young team today took another game from the New York Yankees, three of the Athletics four runs being homers. The score was 4 to 2. The Athletics have now won four games from the Yanks out of five times the teams have met this year.

Rollie Naylor, undefeated Athletic pitcher, turned in his fifth straight triumph. Shawkey pitched a fine game for New York until the eighth when he weakened.

Score: New York 100 000 100—2 11 6 Philad'phia 010 010 02x—4 7 2 Shawkey and Schang; Naylor and Perkins.

## RESULTS IN BIG TEN TENNIS GAMES

CHICAGO, May 25.—Merkel of Michigan and Wilson of Chicago won their way into the finals in the singles events of the western conference tennis tournament here today.

In the doubles Carran and Shaprow of Ohio State and Wilson and Frankenstein of Chicago went into the finals.

In the semi-finals of the singles events, Wilson of Chicago defeated Stagg of Chicago 6-2, 3-6, 4-6, 6-3, and Merkel of Michigan defeated Swenson of Iowa 7-5, 11-9, 6-4.

In the semi-finals in the doubles events Carran and Shaprow of Ohio State defeated Merkel and Rorich of Michigan 6-3, 6-3, 6-2, and Wilson and Frankenstein of Chicago defeated Goodwillie and Dubach of Illinois.

The finals in the singles will be played tomorrow morning and the doubles finals in the afternoon.

**HORNSBY REFUSES TO DISCUSS CASE**  
St. Louis, May 25.—Rogers Hornsby on his arrival here late today from Pittsburgh, Pa. refused to discuss the Hine divorce proceeding in which his name was mentioned. He indicated he might issue a statement later.

"I cannot say anything as I haven't heard anything about this matter," he said.

Edward Cooley, freight inspector for the Burlington with headquarters in Centralia, was a Jacksonville visitor yesterday.

## PIRATES DEFEATED CARDINALS IN NINTH

Two Runs—Doak Had Pitched Shutout Ball Up to That Time

PITTSBURGH, May 25.—Pittsburgh won their seventh straight game today, defeating St. Louis in the ninth inning after having been held scoreless for eight innings by Doak. The score was 2 to 1.

In the ninth singles by Barnhart, Rawlings, Grimm and Mueller, the latter batting for Morrison, accounted for two runs.

The Cardinals scored their one run in the first inning when Rawlings fumbled Smith's grounder and Flack allowed with a triple. Morrison allowed the visitors only four hits.

## I. C. NINE LOSES; TRACK TEAM AWAY

Accurate information as to the scores of the baseball game yesterday between Illinois college and Wesleyan teams at Bloomington could not be obtained, but it is understood that it was 23 to 5 in favor of Wesleyan. The Illinois boys were outclassed at every turn of the game and it finally became a sort of foot race.

The Illinois College track team and Coach W. T. Harmon have gone to Monmouth for a dual meet with the college there this afternoon. The team is in good shape and expects to bring home a majority of the points.

**TRACK MEET I. W. C.**  
The Track Meet, which has been looked forward to for so long, will be held on the back campus at Illinois Woman's College on Saturday afternoon at 3:15 P. M. There will be no admission and the public is invited. The girls are showing unusual pep and enthusiasm, and it promises to be one of the best events of the schools year.

## FREE SWINGERS IN MAJORS ARE DUE FOR DIET OF SLOW BALL PITCHING

This is going to be a tough year on the free swingers in the major leagues.

Players who take a healthy cut at the ball, a la Babe Ruth or Bobby Veach, are certain to find it a more difficult matter to get them safe.

Already Bobby Veach is doing bench duty at Detroit, presumably for inability to hit consistently. While Ruth will hardly find the pitchers much more difficult to solve this year.

The great success attained by the pitchers of the New York Giants in slowing up on Ruth has caused the American twirlers to adopt such tactics in pitching to the big fellow. Low and outside, with plenty of half speed and slow balls, is the diet that

Ruth is being fed on.

Not only is this practice being employed on the veterans but recruit hitters as well. In the American League last season Goslin of the Washington club and Hauser of the Athletics made much trouble for the pitchers.

Both Goslin and Hauser are left handers, who are known as free swingers, batters who take the same healthy cut at a slow one as a fast ball. This spring the pitchers have been slowing up on both these youngsters with much success. Neither takes kindly to the slow ball or change of pace.

The lively ball has made it necessary for the pitchers to take fewer chances with the free swingers. The slowing up process seems to solve the solution.

## RAILROAD BUILDERS COME BACK TO SHELBY AGAIN

By NEA Service  
Shelby, Mont., May 25.—Railroad builders of the 70's and 80's have come again.

Hundreds of sledge-hammers are clanking away night and day as work trains chug and snort.

The Great Northern Railway—only line entering Shelby—needs a parking ground for the hundreds of special trains it will run here for the Dempsey-Gibbons bout. So it is laying 35 miles of temporary side-tracks.

President Ralph Budd, Vice President W. P. Kenney, Operating Manager Charles Jenks and passenger department officials are mapping out one of the most expensive railway provisional programs the west has ever seen.

Thousands of fight fans, who will be unable to obtain accommodations in town, will sleep and eat on the special trains.

A temporary hotel is being erected for the 300 Great Northern employees who will be on the ground to supervise the operation of trains.

Telegraph experts are stringing miles of wire into Shelby. First news of the fight will be flashed over these wires into Great Falls and Helena. Western Union and Postal feeders will pick it up and broadcast it to an eager and expectant world.

Many of those coming in from the east—and the west, too, for that matter—are planning to visit Glacier National Park before returning home. Its main gateway also is on the Great Northern, 660 miles east of here.

## Do you know Baseball?

by Billy Evans

Questions  
ONE—If a batter is hit by a pitched ball that goes directly over the plate, what is the ruling?

TWO—What was the ruling made by the major leagues relative to spit ball pitching?

THREE—Can a batsman be removed at any time regardless of the balls or strikes that may be on him?

FOUR—If, after two strikes have been pitched to an improper batter, the team at bat discovers the mistake, can the proper batsman be substituted?

FIVE—If, with two out, a base runner is hit by a pitched ball which retires the side, does the batsman receive credit for a hit?

Answers  
ONE—If, in the opinion of the umpire, the delivery was up to the specifications of a strike, he would so rule it whether or not it hit the batter.

TWO—The major leagues ruled that the pitchers who used the spit ball in 1920 would be allowed to continue it during their career.

THREE—A batsman can be removed at any time. The man selected to take his place, simply takes the balls and strikes on the batter at the time of removal.

FOUR—The proper batsman can be substituted when the mistake is discovered, and he simply takes the count that was on the improper batter.

FIVE—The batter always receives credit for a hit on such a play, no matter what the status of the game may be.

## BOSTON BATS OUT VICTORY OFF JOHNSON

BOSTON, May 25.—Boston fell on Johnson in the eighth this afternoon, scoring four runs and winning the game from Washington, 6 to 5. The sixth Boston run was scored on a squeeze play by Shanks off Russell. Reichle made three hits off Johnson in four times at bat and crashed a liner into Goslin's hands. Burn's triple scored the tying run. John Collins ran for him and scored on Shanks' bunt.

## BLUE MOUND PLAYS I. S. D. THIS AFTERNOON

Coach Burns I. S. D. team will meet the Blue Mound high school team on Illinois field this afternoon. The game will start at 3 o'clock. Harry Clark catcher of the Indies will umpire.

Two weeks ago the Blue Mound boys defeated the local team at Blue Mound by a score of 5 to 4. The I. S. D. boys are going to fight hard to avenge that defeat.

Burns' men are in better shape than when the teams met before and are hitting the ball harder. Carlson or Sellers will be on the rubber for the locals and both are going good right now. The game should be a hot one. The I. S. D. lineup follows:

## NO GAMBLING AT HAWTHORNE—CROWE

CHICAGO, May 25.—Robert E. Crowe, state's attorney announced today that he would not permit any gambling during the proposed racing meet at the Hawthorne race track in June.

The prosecutor said that he had no objection to horse racing and that a bill is now pending in the legislature to legalize this sport but that he did not propose to permit gamblers under the guise of horse racing to conduct an open gambling house.

The prosecutor said that the first bet made at the track if any were made would result in the arrest of every person connected with the management and the closing of the track.

**NEW YORK, May 25.**—Prices  
continued their rise to higher  
ground in today's active stock  
market despite some intermittent  
selling of the steel shares. Gains  
of 1 to 2 points were quite num-  
erous throughout the list. Speculators  
for the advance were encouraged  
by the address of Elbert H. Gray  
before the American Iron & Steel  
Institute which set forth that  
there was nothing in sight to in-  
dicate a material slackening in  
the demand for steel for at least  
six months.

Oil shares were higher.  
Quarterly reports of three of  
the Porphyry copper companies—  
Nevada, Utah, Ray—all showed  
improvement over the last quarter  
of 1922 in the first quarter this  
year. Some of the sugar shares  
became quite active on reports of  
some commodity prices.

Cuban sugar jumped 2½ points  
and American-Cuba cane prefer-  
red and Manati 1 to 2 points.

American bond advanced four  
points on small turnover.

Considerable irregularity devel-  
oped in the rail shares with a  
number of active issues showing  
net losses at the close.

United States government se-  
curities closed slightly lower than  
yesterday's final figures.

## GREAT POSSIBILITIES IN PARK SYSTEM

A. C. Metcalf Gave Rotarians Interesting Facts About City's Five Parks—Lack of Funds Limits Work.

At the Rotary club luncheon Friday at the Pacific Hotel, President A. H. Doherty presented A. C. Metcalf as the principal speaker of the day. Mr. Metcalf as a member of the park board gave some very interesting facts about the park system and the plans that the board has for park development.

After Mr. Metcalf's talk Vincent Riley made a statement with reference to the club house at Merodasia. He reviewed the work that has been done in past years and put before the club the possibility of a further development of this property and the work that it represents.

Mr. Metcalf explained that Central, Duncan, Reservoir, Nichols and Mauvaisterre parks are included in the park system and that all must be maintained thru the funds available.

**Fund Not Large**—About \$10,000 is received from taxes and a little more than \$3000 from other sources. As far as the present year is concerned, Mr. Metcalf said that after paying the balance of \$4,000 for the swimming pool and \$2,500 for a bath house and the kiddies' division of the pool at a cost of \$2,550, that approximately \$5,500 will be available for park expenditures.

The greater part of the money will be spent this year at Nichols park, for in the present state of its development more people are benefited from this park than from any other one in the system.

Mr. Metcalf said that this year's plan calls for the installation of bubbling fountains at various places in the park, improvement of the tourists' camping grounds, in addition to the general park work which requires a considerable expenditure of money.

Mention was made of the assistance given in park development by golf players who have subscribed about \$20,000 for park improvement. Mr. Metcalf also referred to the co-operation given by the sportsmen's club in protecting the fish in both Nichols and Mauvaisterre parks.

**Mauvaisterre Park**—The speaker used a blue print to give the club members a better understanding of Mauvaisterre park and its wonderful possibilities for development. The driveway laid out covers five or six miles and the landscaping plans adopted provide for a development of natural park beauty during a period of years.

The planting of trees and bushes can proceed only in a modest way unless some means of financing improvements is provided other than the fund available from taxation.

The War Mothers organization has done something already along this line and Mr. Metcalf said that the board is hopeful that some group of citizens or individuals may be able to work out a plan which will help the park board finance the project.

Mr. Metcalf explained about the building of a culvert, the construction of a fill and some other work which has been done by the board at odd times when the least expense would be incurred. He suggested that if any Jacksonville citizen to take a few hours off and walk thru the Mauvaisterre park property. In this way one can get as in no other way a clear understanding of the possibilities for development that this property offers.

Dr. C. H. Rammelkamp on behalf of the city plan commission spoke of the hope that the commission has that the citizens' organization may be of some aid to the park board in meeting its problems.

One Rotarian suggested that

## FARMER DIGS UP THREE SKELETONS

Bones of Two Indians and a White Man Found on Bluff Near Valley City—Indians Have Tradition of Buried Treasure in That Vicinity

Three skeletons, one of a white man and two of Indians, were unearthed recently on the farm of John Gasaway near Valley City. The skeletons of one Indian showed the leg bones being of unusual length. The skull of one of the Indians was crushed, and the other had a dent in it which looked as if it had been made by a bullet.

Mr. Gasaway discovered the skeletons while plowing in a field on the bluff about three-quarters of a mile from the Wabash track. The plowshare struck the skull of one skeleton, demolishing it, and uncovered the other two skeletons. They were buried one above the other, that of the white man on top, barely eight inches below the ground, and that of the Indian on the bottom.

Sometime ago Mr. Gasaway dug up a strange shaped stone covered with peculiar markings, believed to be Indian picture markings. It is said that the Indians have a tradition that there is a deerskin full of gold buried somewhere along the bluff. As late as 30 years ago, bands of Indians came to the region searching for the buried treasure. They had charts, which would have guided them in their search, if the trees that were their familiar landmarks had not been cleared away.

## 53 BOYS ATTEND LEGION BANQUET

Ready Response Given in Signing Up for High School Entrance—Program and Supper Prove Successful.

Fifty-three boys from the senior class of the David Prince junior high school attended the American Legion banquet given last evening in their honor. All of the boys signed cards giving information as to their plans for entering high school in the fall. All but five were certain of entering.

A large number of Legion men attended the banquet, and the attendance rose into the high figures. The affair was held at Central Christian church, and the supper was served by the Loyal Women's class of the Sunday school. During the supper music was furnished by the Kiwanis orchestra. The speakers were Rev. M. L. Pentecost on "What I would Do if I Were a Boy," and Supt. B. F. Shafer on "The Value of a High School Education."

**Will Leave Staff of Local Library**—Miss Josephine E. Cooper, for the past two years reference librarian at the local public library, expects to leave next Tuesday, May 29, for Rockford, where she will take a position as sub librarian. She will be in charge of the Montague branch public library, the largest and newest branch library in the city.

Miss Cooper has been employed at the local library for two years. Most of that time she has served as reference librarian. She was for a time in charge of the library, while the position of chief librarian was vacant.

Reservoir park, the small, should not be omitted from park board plans as it has possibilities for development.

## MANY SLIGHTLY HURT WHEN SEATS COLLAPSE

Sixty to Seventy-Five People Tumbled to Ground When Bleachers Collapsed at Winchester Gathering—May Festival Is Successful

Winchester, May 25.—An entire section of the bleachers from which sixty to seventy-five people were watching a May festival here this afternoon, collapsed, injuring half a dozen persons and causing high excitement throughout the large crowd. On minor scratches and bruises were reported. Mrs. Willis, a resident of this city, had her foot badly mashed and required the services of a physician. This was the most serious of the injuries sustained. This particular section of the bleachers was well crowded, as it was in the shade. The collapse of the structure was due to the softness of the ground and to the fact that the ground was slanting. The wooden supports of the seats slid downward, allowing the seats and their occupants to slip sideways.

However, the excitement was soon over and the May day festival given by the children of the grade schools in the physical training classes proved a great success. The program was carried out according to a schedule. Every participant did his or her part with real enthusiasm. The procession and crowning of the Queen of May were pretty sights.

Following is the personnel of the principal participants:

Queen of May—Bess Haines; Maid of Honor—Blanche Smith; Queen Dowager—Loretta Lashmett.

Pages—Bobby Gleason and Virgil McCarthy; Crown bearer—James Campbell.

Flower girls—Charlotte Clark, Delores Thomas, Frances Thompson, Jean Patrick, Betty Jany Smith and Jennie Jones.

Heralds, ladies in waiting, body guards and soldiers of the court were too numerous to mention. By request, Miss Vera Wardner, the dressmaker of the affair, gave the spring dance. Little Elsie Roper played the part of the Jack in the Box.

The May festival was attended by a large and interested audience. Many persons were present from Jacksonville, Merritt, Ridgeway and other nearby communities.

Mrs. Laura E. Bailey of Ridgeway and guest, Miss Wilma Hatterley of Paris, Mo., were callers in Winchester today.

Mrs. William Richardson and Mrs. Jess Gibson motored to this city from Canton recently for a visit with relatives.

Dr. Arthur Prince of Springfield was a recent professional visitor here.

Mr. and Mrs. Ray Shibley of Kansas City are visiting relatives in this city and vicinity.

## NEW VAULT TO LOWER INSURANCE RATES

The Elliott State Bank has just been notified by the Insurance departments of the Illinois Bankers' association that when the contents of their present vault and safety deposit boxes have been removed to the vault which will be installed in the new bank building, that their insurance rate will be materially reduced.

This letter was written after representatives of the insurance department had examined the plan for the new vault at the Chicago office of the architects for the bank building. With the protection which the new vault will afford, the risk from burglary so slight that the insurance rate will be reduced to one-third of that now in effect.

The action taken indicates very clearly that the new vault will afford all the protection that is possible by the use of steel and mechanical devices.

**MURRAYVILLE S. S. CLASS HAD PICNIC HERE**

Members of Mrs. Warren Jones' S. S. Class in the Murrayville S. S. church enjoyed an all day picnic at Nichols park Friday. Each member was privileged to invite a guest and there were five auto loads in the picnic party. They came to the park during the morning bringing with them generous quantities of eatables. A picnic dinner was enjoyed at noon and the afternoon hours were very happily spent with games and contests. When the merry-makers returned to their homes in the late afternoon it was with recollections of a very pleasant day.

**CIRCUIT COURT ADJOURNS UNTIL MONDAY**

The damage suit of Mrs. Luther Crawford against Samuel T. Zachary was continued in the circuit Friday before Judge Burton. The jury was secured in the morning and statements of the case made. In the afternoon the evidence on behalf of the plaintiff was presented. When court adjourned it was until Monday morning, May 28.

## THE DEATH OF MISS ANNA G. BROWN

Brief mention has already been made of the death of Miss Anna G. Brown, which occurred at the home of her brother in Rogers Park, a suburb of Chicago, last Tuesday. Funeral services were held at Rogers Park Wednesday evening at 7 o'clock in charge of Rev. Mr. Hepburn.

The presence of about 75 boys who have been pupils of Miss Brown, together with a large number of co-workers and friends testified the love and esteem in which Miss Brown was held.

The beauty of the service was increased by the singing of a large chorus of boys from the manual training department of the LeMoine school. They sang with great effectiveness "Lead Kindly Light" and "Beautiful Isle of Somewhere."

Thursday the body was taken to Aurora and laid to rest by the side of Miss Brown's father and mother. The deceased was the daughter of Albert M. and Fideia Stanley Brown and was born in Aurora. There her girlhood days were spent and she attended the public schools, later taking an engineering course at Lewis Institute in Chicago.

In 1903 Miss Brown came to Jacksonville, the first manual training teacher, introducing the work in the high school, the 8th grade and later in the grade buildings.

The excellence of her work is well remembered by persons who were in touch with the school system in those years. Miss Brown's influence over boys under her charge was most unusual. Hundreds of these boys have been helped along toward better lives because of the high ideals she constantly held before them—ideals both of honest workmanship and manly character.

In 1918 Miss Brown resigned the Jacksonville position to take one in the Rockford public schools. Her work continued there until her resignation to take on the duties of a still more responsible position at the LeMoine school in Chicago. She was most happy in her work there and greatly beloved by teachers and pupils. She organized a "Good Time Industrial club" among the boys and met with them each Friday evening. She was never too weary from the school work of the week to take her part in this Friday evening assemblage, which meant so much to the boys.

The place that Miss Brown came to have in the hearts of her admirers was shown in the days of her sickness, for there were many evidences of their devotion and concern. While Miss Brown's work in the schools has closed because of her untimely death, her influence upon hundreds of lives will continue thru the years to come.

## P. C. PRIMIS BACK FROM TRIP ABROAD

P. C. Premis, manager of the Douglas Hotel, has returned to the city after an extended trip thru Greece and other European countries. He went to Carlsbad, Greece, where he spent most of his stay abroad visiting his relatives, while there he attended a celebration in honor of Grecian independence. He and an American friend, whom he met in his travels, were given the best seats in the church.

Greece has the highest respect for the United States. The American flag is frequently displayed alongside the Grecian. An American physician is looked upon as almost a saint, and the work of the American Red Cross is considered a great blessing. Much Greece by the Americans, which has drawn the two countries closer together.

## TO PROBE BREACHES OF ILLINOIS DIVORCE LAW

Springfield, May 25.—Circuit Judge E. S. Smith today directed a grand jury to investigate violations of the divorce law in this county. The judge said that infractions of the law prohibiting remarriage within a year after divorce were becoming so frequent as to demand criminal prosecutions. Statutes of Illinois provide imprisonment for from one to three years for violations of the divorce law.

Marriages in St. Louis, where different divorce laws are in effect, are said to be one of the irregular practices most indulged in. Divorcees leave Illinois and marry in Missouri, within the prescribed limit, and then return to Illinois, where the law provides there must be no remarriage by a divorced person, for the offender in the divorce suit for two years and for the complainant within one year.

**TO IMPROVE COON RUN DRAINAGE DISTRICT**

The coon run drainage district in the northwest part of the county is to be improved at a cost of \$75,000. The contract for the digging of a five-mile ditch and the erection of a pumping station has been let to McWilliams Dredging Co. The ditch will extend from the Illinois river to the south end of the district at the crossing of Coon Run creek on the Jacksonville Merodasia road. The pumping station will relieve the flood conditions in the district when the ditch cannot carry sufficient volume.

**WILL VISIT IN CITY**—Mrs. Helen M. Dwight and Miss Elizabeth P. Kirby were expected in this city last evening from New York City for a visit with her sister, Mrs. Francis McLaughlin, 7302 West State street and their brother, Capt. W. A. Kirby, 414 Lincoln avenue.

## MEDER'S DEATH DUE TO ACCIDENT—VERDICT

Coroner's Jury Returned Verdict Friday Evening—Number of Witnesses Are Heard.

The unknown man who was found drowned in Mauvaisterre lake Thursday evening was identified yesterday morning about 9:30 o'clock by W. N. Jackson of 234 1/2 North Main street as the body of William Meder who had a room at the same place.

Mr. Meder was a bachelor and was a great lover of fishing, and spent a great deal of his time at this sport lately, having been out of employment as a machinist since the closing of the C. P. & St. L. shops in this city. He was seen by a crowd of boys at the lake during Wednesday and was also seen with a string of fish about 5:30 o'clock Wednesday afternoon by Mr. Daniels of 731 North Main street being at that time not far from the place where the body was found.

Coroner Rose held the inquest at the Gillham Funeral Parlors at 7:00 o'clock yesterday evening with the following jury: Foreman, Homer Cully; clerk, Birch B. Ridgeway; John L. Tamm, Glenn W. Howard, L. E. Samples, and W. T. Cook.

The first witness called was Lott Bolich, a brother-in-law of the deceased, and also residing at 234 1/2 North Main street, who testified that he last saw the deceased last Tuesday evening. On the morning of that day Mr. Meder called the witness to come to his room as he had something that he wanted to tell him. When the witness went to the room Mr. Meder unlocked his trunk and showed Mr. Bolich a five hundred dollar bond and his bank book and other valuable papers and after looking them up in the trunk again handed the key to Mr. Bolich and said that "They are liable to pick me up any time." In the evening the deceased called for his keys saying "I am all right now."

Captain Elliott of the night police force and Howard Wana-maker testified as to the finding of the body.

W. N. Jackson said that recently Mr. Meder became slightly worried about his health and consulted Dr. Taylor in Springfield who told him that he was sound but a trifle nervous. He also visited a sanatorium in Chicago recently and had a blood test made which proved that he was a sound man.

**Brother Testifies**

Charles Meder of Allen avenue, a brother of the deceased, said that his brother visited his home on Monday or Tuesday and talked a great deal about fishing and when he went away took the fork with him and it was thought that he got a supply of worms while there. Mr. Charles Meder also stated that his brother notified him several years ago that all of his valuables were in a vault at Ayers National bank along with a letter which his brother was to have if anything ever happened to him. He explained this by telling that the deceased quite often went great distances from home in his work as a machinist and that these arrangements were merely precautionary in case of sudden death while away as the deceased had told his brother that as a much older brother he had done much toward raising the younger children and should have all property that was left. Deceased was a quiet man, with no bad habits except the use of tobacco and was never known to be despondent in his whole life.

At the place where the body was found the banks are very steep and over-hanging and an accident could easily occur and as eye-witnesses had seen him on Wednesday engaged in calmly fishing the idea of suicide could not very well be entertained. The only bruises that he had was a bruised eye and a slight abrasion on the nose which Captain Elliott explained by stating that the body was resting face down in the water and it was pulled up on the concrete in that position which would naturally account for these minor injuries.

**Verdict Accidental Death**—In accordance with the facts as shown above the jury returned a verdict that the deceased came to his death by accidentally falling into Mauvaisterre lake while fishing, on the afternoon of May 23rd.

Deceased has lived for a number of years in the Self Building on North Main street. He was born in Fountain Springs, Pennsylvania, and was forty-six years old. He is survived by five brothers and two sisters: Charles Meder, Allen avenue, Jacksonville; Alexander, of Joliet, and Louis, Joseph and Peter of Fountain Springs, Pennsylvania; Mrs. Cora Payne of Buffalo, New York, and Mrs. Ida Payne of Pottsville, Pennsylvania. He was the son of Charles and Caroline Deitch Meder and had resided in Illinois for the past twenty-four years. He had been a machinist for years and worked at the state hospital for about eight years, and at many other places.

Funeral arrangements have not yet been made as relatives in the east have been notified and will attend the services here, and it is uncertain when they can arrive.

**WITH THE SICK**—R. P. Joy, who is ill with pneumonia at his home on West State street, was greatly improved yesterday. The indications are now that Mr. Joy will gain some in strength each day.

## PLEASANT SOCIAL EVENT AT FRANKLIN

Mrs. L. J. Massie Entertains in Honor of Mrs. Mary Vorbeck and Mrs. Miller Keplinger Friday Afternoon.

Mrs. L. J. Massie entertained a company of friends Friday afternoon at her home in Franklin. The affair was arranged in honor of Mrs. Mary Vorbeck, who is soon to leave Franklin to make her home in Jacksonville, and also in honor of Mrs. Miller Keplinger of Franklin, who will leave shortly for a stay of several months in France.

There were thirty-five guests present and they spent a very pleasant afternoon at the Massie home. There were games and contests of various kinds and Miss Dorothea Sargent gave several piano selections which were greatly appreciated by those present. The prizes in the contests were won by Mrs. J. E. Miles, Mrs. N. E. Wood, Mrs. Martin Anderson and Mrs. Ora Rolston.

Out of town guests present were Misses Ruth Webb and Katherine Smith of I. W. C. in Jacksonville. Mrs. Massie was assisted in entertaining by the following young women: Misses Olive Burnett, Grace Armstrong, Dorothea Sargent, Anna Ranson, Ruth Webb, Katherine Smith and Helen Massie. A dainty luncheon was served in the course of the afternoon, spring flowers being used with charming effect as table decorations and to beautify the various rooms at the disposal of the guests.

## MANY PLAN TO ATTEND ELKS VOD-VIL REVUE

The indications are that a large audience will assemble at the Grand Theatre next Monday night to witness the third performance of the Elks Vod-vil Revue. The presentation met with such hearty approval on the first two occasions that there are many who attended one of these performances who are planning to see the show again.

A number of Jacksonville's most prominent singers and musicians are included in the cast and the program is one which by its variety and up to date features is sure to please.

It is not often that an amateur performance of as high class as the Elks Revue is given and all who attend are assured an evening of rare entertainment.

## MEMORIAL POPPIES TO BE SOLD TODAY
